Five Virtual Seminars	Session 1: 18 May 2021	1.5 Hours CPD

Re-purposing and Re-Vitalising Town Centres - Getting from A to B: But where do we seek to go, and how do we get there? The programme has been reviewed, updated and re-packaged into five different sessions, partly to reflect limitations on "screen time" and to take account of different time zones; but also to incorporate more panel and Q&A time - something that works so well in the virtual format. All sessions remain topical and are relevant to the aim of exploring legislation to develop best practice whilst focusing on the need to deliver housing, commerce, modern services and infrastructure, and regenerate towns and cities globally.
